AFRICA ACCESS WATER DONATION POLICY

Purpose:

This policy outlines the principles and guidelines governing donations made to Africa Access Water to ensure transparency, accountability, and alignment with our mission to equip rural communities with solar powered water infrastructure for productive use, food security and improved livelihoods.

1. Acceptable Donations

Africa Access Water accepts donations in the form of monetary contributions, in-kind support, and grants that align with our values of patriotism, sustainable development, and economic empowerment. Donations must support activities that adhere to our mission of equipping rural communities with solar powered water infrastructure for productive use, food security and improved livelihoods.

2. Unacceptable Donations

We do not accept donations that:

- Compromise our independence or integrity.
- Conflict with our commitment to sustainable development, ethical practices, and community empowerment.
- Originate from entities involved in illegal, harmful, or environmentally destructive practices.

3. Donor Rights and Acknowledgment

We respect the rights of all donors, including the right to:

- Know how their donations will be utilized and the impact generated.
- Have their donations acknowledged publicly (unless anonymity is requested).
- Receive periodic updates on the progress of funded projects.

4. Transparency and Accountability

Africa Access Water commits to:

- Using all donations efficiently and effectively toward the designated purpose or project.
- Providing transparent financial reporting through annual reports that detail our use of funds.
- Offering donors access to information on project outcomes and impact.

5. Use of Donations

Donations will be applied in accordance with the donor's intent. Unrestricted funds will be directed to the areas of greatest need, ensuring they contribute to achieving our organization's mission and sustainability goals.

6. Refund Policy

Refunds on donations are generally not offered due to the immediate application of funds in project implementation. Exceptions will be made if donations were made in error, which must be reported within 14 days.

7. Ethical Standards

Africa Access Water reserves the right to refuse or return any donation that does not align with our values, mission, or ethical standards. In such cases, we will communicate with the donor promptly and transparently.

Review and Approval

This donation policy will be reviewed annually by the board of Africa Access Water to ensure it continues to align with our mission and organizational values. Adjustments will be made to meet evolving needs, regulatory requirements, and community priorities.

Thank you for supporting Africa Access Water to transform lives through water for productive use.
